

The EPK – Electrical Parts Kit

November 15, 2024

Olympic Kilns EPK – Electrical Parts Kit – provides all the electrical components you need to revive, restore and extend the life of your kiln.

The EPK includes a full set of elements for the specific model, high temp connectors, element pins, transformer, fuse, crimping tool, pint of mortar, lead wires with slip-on connectors, thermocouple, and relays. Never experience down time again because you didn't have a part on hand. Keep your great kiln a great kiln with an EPK. And you receive significant savings when purchasing an EPK compared to purchasing individual parts. Contact your Olympic Kilns distributor to order and specify your model and serial number with the voltage and wiring – single or three phase.
